

### ASSIGNMENT - 3

Date	07 October2022
Name	Priyadharshini M
Team ID	PNT2022TMID13786
Roll No	622119104073

#### 1. Create a bucket in cloud Account:

The screenshot displays the IBM Cloud console interface. The left sidebar shows the navigation menu with 'Buckets' selected. The main content area shows the details for a bucket named 'bucket123' under 'Cloud Object Storage-5o'. A green notification box in the top right corner states: 'A bucket created successfully! The bucket bucket123 has been created and is now available to add objects.' Below the notification, there is a section for 'Objects' with a search bar and a table header: 'Object name', 'Archived', 'Size', and 'Last modified'. The table is currently empty. Below the table, there is a large dashed box with the text: 'Drag and drop files (objects) here or click to upload'. The bottom of the screen shows the Windows taskbar with various application icons and the system clock indicating 9:22 AM on 10/6/2022.

## Buckets

Buckets serve as containers for objects, and can be individually configured in terms of their location, resiliency, billing rates, security, and object lifecycle rules.
